Program Calendar

This calendar has been designed for the Scouting volunteer, and is made available for unit program planning. Aside from adult leaders receiving specific leader training, there is no single element of your unit's success more vital than carefully selecting and scheduling your unit's activities.

In addition to the 15-month council calendar and a listing of district activities and dates, this publication contains general information about your Scout council, camping opportunities and information on health and safety.

Scouting's Journey to Excellence

"Scouting's Journey to Excellence" is the BSA's new council performance recognition program designed to encourage and reward success and measure the performance of our units, districts, and councils. It is replacing the Centennial Quality Awards Program as a means of encouraging excellence in providing a quality program at all levels of the BSA.
